EAST HIGH SCHOOL

YOUNGSTOWN, OHIO

History of East

Our school history began in September, 1926, with J. W. Smith, principal. Upon his retirement in 1948, E. E. Fell, his former assistant, succeeded him.

In September, 1954, a $950,000 addition was completed which boosted our enrollment to a record of 1,724 students from grades seven to twelve. Dedication of the new wing, containing a new gymnasium, auditorium, shop and class rooms, was held on Sunday, May 1, 1955.

Up until 1950 we were known as the Sunrisers, but upon a student poll, and recommendation of the coaches, the title Golden Bears was adopted. In 1951, "Nuggets" the nickname for our Golden Bears, was brought into being.

CLASS OF 1955

The class of 1955 chose the Red Rose for class flower; blue and white for class colors, and the enchanting melody "Stardust," for their class song.

Mr. E. E. Fell

Mr. E. E. Fell leaves this message with you:

Graduation from high school pre-supposes a purpose in life. You have had splendid opportunities in the last four years to establish goals and develop a philosophy of life which will contribute to successful living. We hope you have made many lasting friendships and that you have developed a sense of humor, habits of industry, faith in yourselves, and a faith in God. Our association together has been pleasant and our confidence in you is justified.

E. E. Fell

Burton Honey

Mr. Burton Honey

Mr. Burton Honey leaves this thought with you:

For twelve years you, the class of '55, have surmounted many obstacles in your quest for knowledge and graduation from high school.

Our democratic form of government, in giving you the opportunity to pursue these goals, holds that the greatest development of the individual represents the highest good for the individual and for the nation.

Your continual effort for mature development will depend upon your use of the experiences gained through your years of schooling. May you find happiness, success, and satisfaction in your future life's work.

B. H. Honey

Lucy Pittinger

HELPING HANDS

Because of the work of Miss Lucy Pittinger, students can be given individual psychology tests to determine their ability. Her services are available to us at East and also eleven other buildings in the area. Besides being school psychologist, Miss Pittenger is also a part time English teacher.

Office Staff

Besides a new school addition, we also had a new addition to our office staff. Miss Carolyn Jones, graduate of Poland High School, succeeded Shirley Boomhower.

A well-organized office means a well-organized school. This task is competently accomplished by our ever-striving staff: Miss Carolyn Jones, Miss Eleanor Love, Myron Reese, and Wilbert Lambeth, visiting teacher.

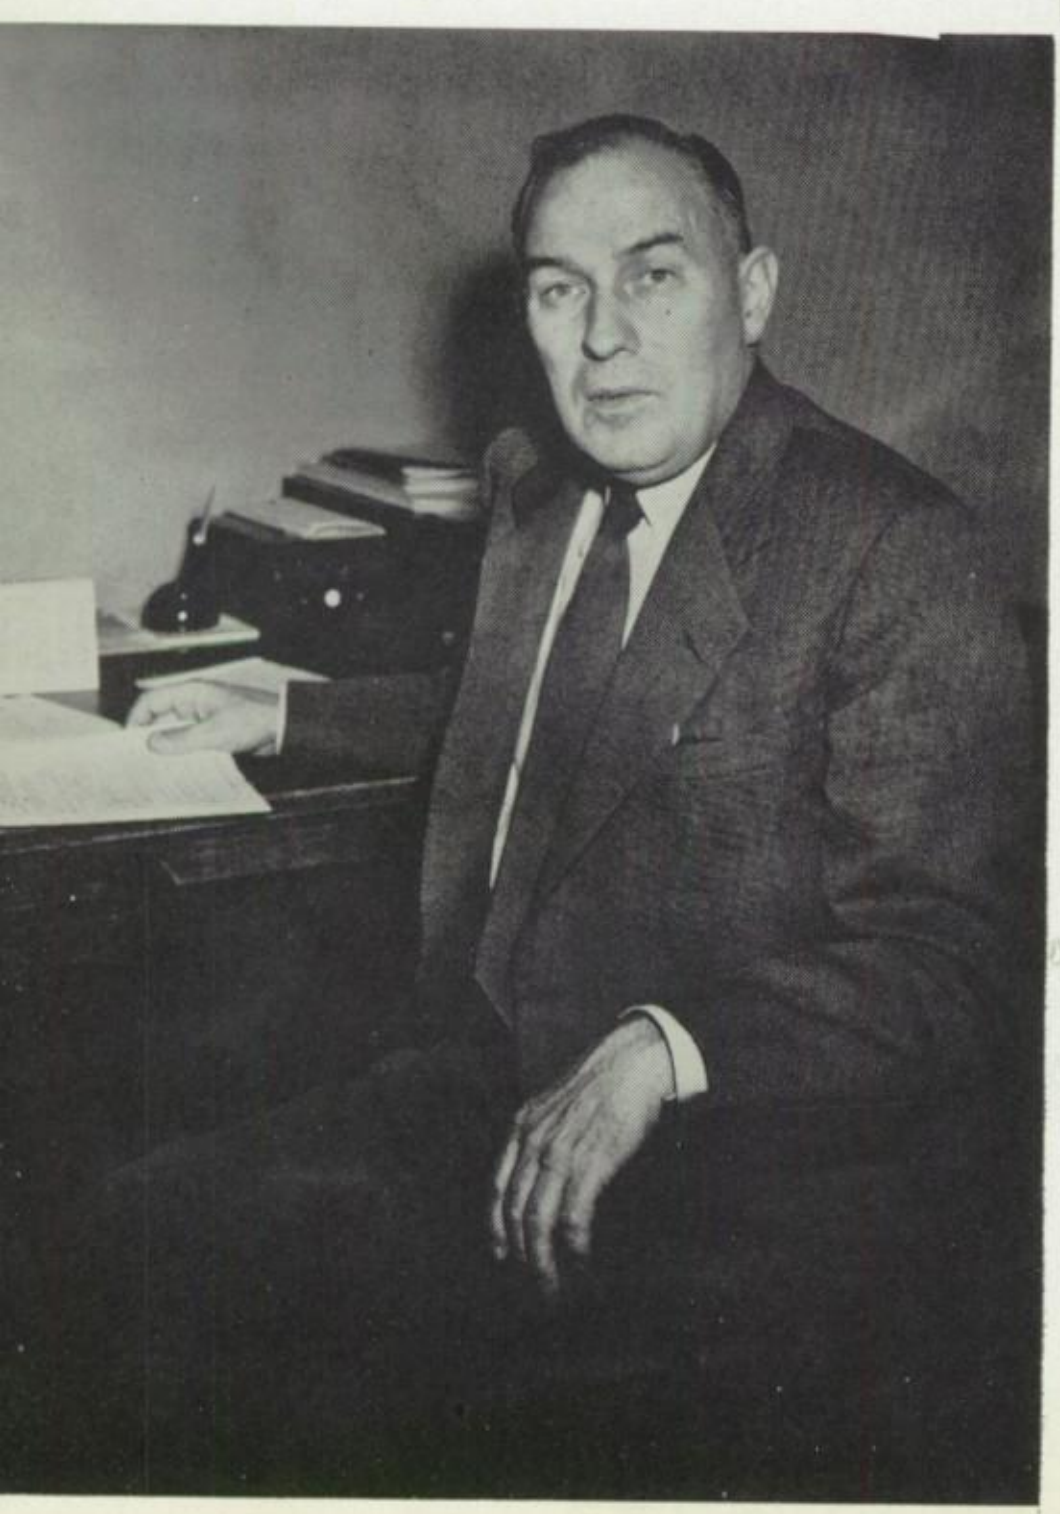
DEANS

Ruth Higley

Dean of Girls



J. P. Griffith

Dean of Boys

Our deans, Miss Ruth Higley and James Griffith, have a dual role in school life, serving both in the field of instruction and guidance. Miss Higley, along with teaching home-nursing and child-care, is dean of girls; Mr. Griffith teaches public speaking and is dean of boys. As guidance people, they help students to recognize and to solve their problems independently.

Student Council

Student Council, main governing body of our school, provides a basic foundation for students in acquiring the qualities of leadership, friendship, responsibility and dependability which enables them to cooperate with others, not only in school but in future life.

Your Student Council representing you, strives to improve the standing of the school and its students by promoting various club projects. Members are elected from every homeroom in the school.

President's Council

Willingness to cooperate and spread fellowship is very important for the existence of any group. This is the foundation for the newly organized President's Council, made up of presidents from each school club, to promote school spirit, and to create more interest and greater activity in school affairs. John Hunter is the advisor.

Left to right — Wydick, Ruotulo, Caruso.

A Cappella

Although the performances of the A Capells choir were minimized this year due to the remodeling of the auditorium, nevertheless their presentation of the operetta Pickles, early in March, displayed their talents. Under the direction of Richard Campbell, they also took part in the Christmas and Easter pageants, and sang at National Honor Induction, Dedication, and Baccalaureate ceremonies.

A selected group from these fifty-five members attended the Mount Union College Music Festival.

Freshman Choir

Sixty voices rang out whenever our Freshman Choir took part in assemblies. Under the direction of Miss Ruth Stevenson, they participated in the Christmas and Easter assemblies. In April they presented their annual Spring Concert.

Orchestra

The orchestra this last year seemed much better due to the improved balance of instrumentation, an enlarged string section, and greater effort on the part of its members.

Under the direction of John Raz, the orchestra played for Baccalaureate, the Spring Concert, the Senior Play, and various assemblies.

Operetta

"Pickles"

"Pickles," a three-act musical comedy, was presented by the senior choir in the auditorium on March 18, under the direction of Richard Campbell.

The operetta takes place in old Vienna. Time . . . the present. It is Carnival time in Vienna and among the many tourists is wealthy pickle manufacturer, Jonas H. Pennington, and his beautiful daughter, June. Pennington's advertising agent, J. Jennison Jones, is also there, and to his pleasure finds the paintings of young Arthur Crefont perfect for his witty and sometimes outrageous advertisements. Pennington meets an old acquaintance, Lady Vivian Delancy, who comes to Vienna every year at Carnival time in search of her daughter who was lost there when a baby. The police chief, with the help of his associates, Bumski and Rumski, plots to substitute Louisa for Lady Vivian Delancy's daughter, and then marry Lady Vivian for her fortune.

The entire company is lodged at Hans Maier's picturesque Wurtzelpraeter Inn. A band of gypsies, led by Jigo and his supposed daughter Ilona, visit the Carnival. Events lead to the gypsy camp where a magic pool reveals Ilona as Lady Vivian's daughter.

Before the curtain falls, Lady Vivian becomes Mrs. Pennington; Arthur Crefont wins June's hand; Ilona is restored to her real mother; Jones is a success, and Kinski's plot is exposed.

Fashion Take Down

The rollicking Echo-Janus style show brought down the house when members of the two staffs paraded in wild ideas of modern dress. The spontaneous spirit of our marching band was due to the fraternal nature and individual effort of its fifty-two members. Joanna Tavolario, drum majorette, drilled her precisioned squad daily and continued to show up similar rival groups during half-time ceremonies.

After football season, the concert band took over and played for assemblies and concerts. John Raz's guidance and patience played a large part in the success of this group.

HOMECOMING and Dads Nite

Left to right — Hammerman, Demidovich, Chismar, Jacobs, Orlando.

Crisp autumn weather, old friends and returning grads and a thrilling pigskin battle between East and South made our Fourth Annual Homecoming and Dads night on Friday, October 8 an outstanding event.

Delores Chismar reigned as Homecoming Queen with Irene Navarro and Peggy Shea as her attendants.

During the halftime stunts, Bill Demidovich, president of the '55 class, presented flowers to the Queen and her attendants. Since it was also Dads' Night, a tribute was sung as a prelude to the introduction of each dad, who wore his son's number. A parade of decorated cars circled the field and the majorettes and band performed.

Following the traditional football game was the Homecoming Dance which was held at Krakusy Ball Room.

Baseball

East High baseballers of 1954 made it a double crown year for Coach John Hunter as they batted their way into the city and district championships. Paced by Bill Drummund's fine pitching throughout the season, they compiled an amazing 16-3 record, and reached the regional finals at Bridgeport, Ohio before being eliminated 3-1 by Wadsworth.

Hopes for another banner year rest in the bats of Mike Giambattista, Ronnie Hannis and Mike Santor, the fielding of Carson Gainey and Jack Palermo, and the pitching of Don Cheffo.

John Hunter accepted the job of baseball coach in the spring of 1942. In ten campaigns, his teams have won seven city championships, four N.E.O. District Crowns, and in 1950 reached the state quarter finals at Columbus.

The High and the Mighty

Every class must have four people who possess leadership and integrity enough to carry the group through a term of decision and opportunity for them and their school.

Bill Demidovich headed our executive quartet through a memorable year with Mary Ann Jacobs as his feminine counterpart.

Financial duties were handled by Ronnie Hannis while Delores Chismar took notes and kept track of the various committees which engineered class night-senior banquet and developed the prom into the success we all remember.

The past year could not have been successful without the efforts of the Social Committee promoting dances, proms, picnics, banquets and plays.

The sole purpose of the Social Committee is not only to promote social affairs but to help the students feel that they not only have served the school but also their class.

Once and For All

A Three-Act Comedy by Sidney Duval

This was something "different" in the way of the season's big production.

Michael Webb, a newspaper reporter brought his lovely bride, Linda, to live at Tuxedo Place, once the abode of the well-to-do. They wanted to be independent of parental assistance while writing his book.

Nicola and Christine lived at opposite ends of the court and had recently broken their engagement because Christine disapproved of his job as a slot machine vender. Christine then turned her attention to wealthy Arnold Rice, a former suiter of Linda's.

One of Nicola's co-workers assaulted a restaurant proprietor who refused to buy the syndicate's slot machines and left Nicola to face the charges. Michael, drawn into the conflict because he wished to free Nicola, began a crusade of feature-writing to arouse public sentiment.

The radio, press and civic organizations all supported the young reporter and the gang was brought to justice, uncovering Arnold Rice as the leader, and enabling Nicola to make a new start — fully convinced happiness can come only through honesty.

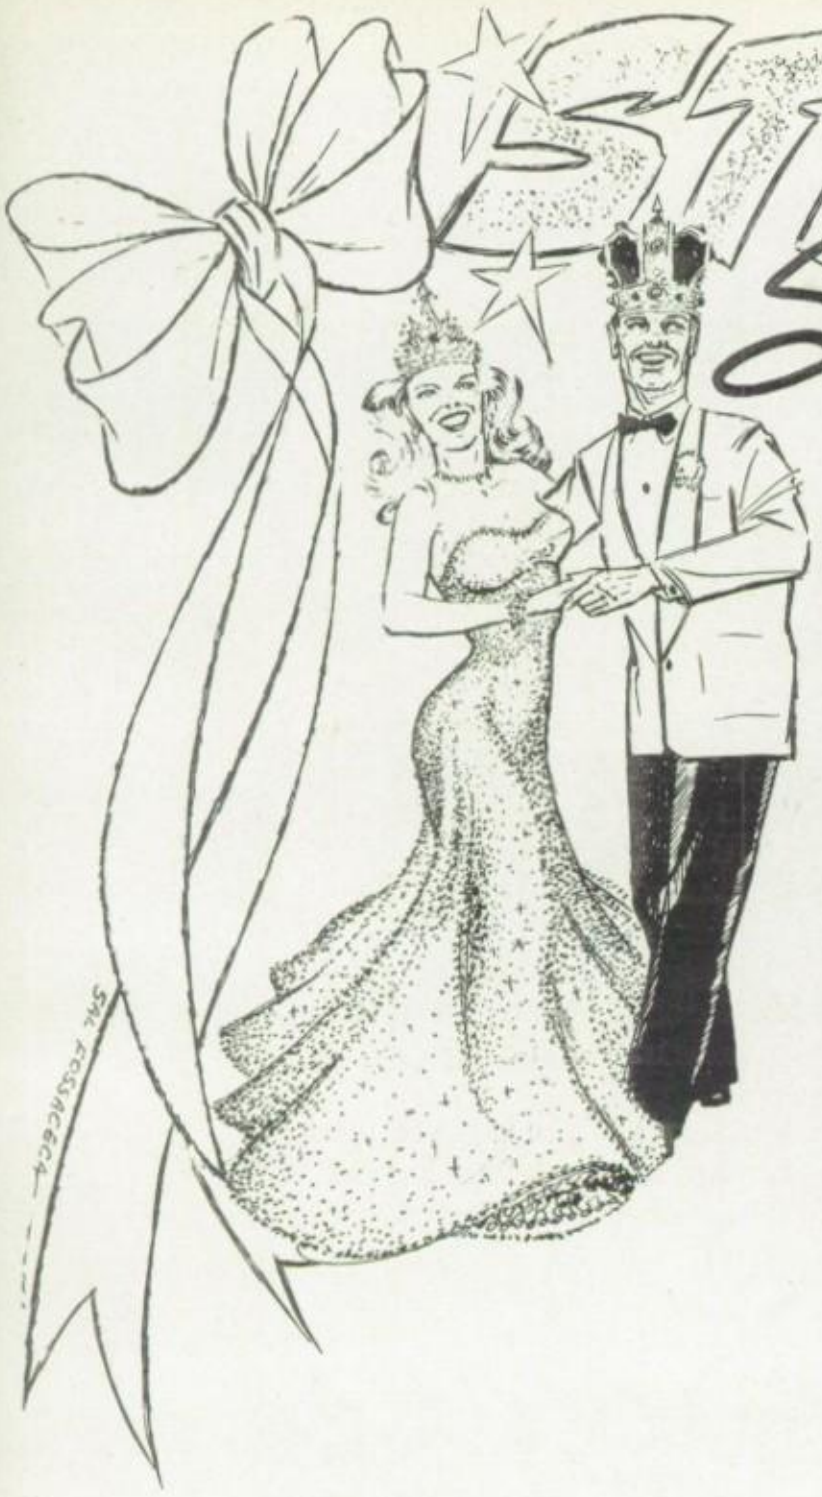
Senior Prom



Senior Prom

Haunting memories of "Stardust" and roses will remain with all those who attended the Annual Senior Prom, April 22, at the Nu-Elms Ballroom.

Tension prevailed among the twenty-eight prom attendants, members of the senior class and many spectators as they waited anxiously for the revealing of the royal couple which was disclosed at 10:00 p.m.

The King and Queen came forward through the arch of roses where Ronnie Hannis was crowned Senior Prom King by class president, Bill Demidovich, who in turn crowned Delores Chismar, Queen.

Then to the sentimental and dreamy music of the class song, Stardust, played by Nick Barile, the royal couple, followed by their attendants, danced the coronation waltz. Thus ended the royal ceremony for the Class of "55."

Congratulations Class of '55!

So nigh is grandeur to our dust,
So near is God to man,
When duty whispers low, "Thou must!"
The youth replies, "I can."

They're telling you times aren't normal? That these are difficult years in which to be young? Don't believe it! For these are surely the greatest years in which to grow up! Never before has the world been so brimful of golden chances for you!

Yours are new horizons of science, of business, of the arts . . . . yours are the horizons of searching for solutions still better than those already reached.

Yours are the gates to the highest in learning. Here, in the libraries of our land, in the colleges and universities, are the products of the greatest minds of all ages . . . . all compiled for you.

Times are not normal? Hard years for youth?

Deny it, Graduate! Tell them you wouldn't trade a day of your wonderful future for any year of the past!
